Chairman's Report

Submitted by: Warren Kotzer

We are finished our seventh year and I am proud to present this report on behalf of the Board of Family & Friends Community Foundation Inc. We have accomplished a lot in a very short time. Our Board has continued to stay focused on the three principles set out to guide the organization when it began. The first principle is growing funds either through permanent endowment or flow through monies. The second being

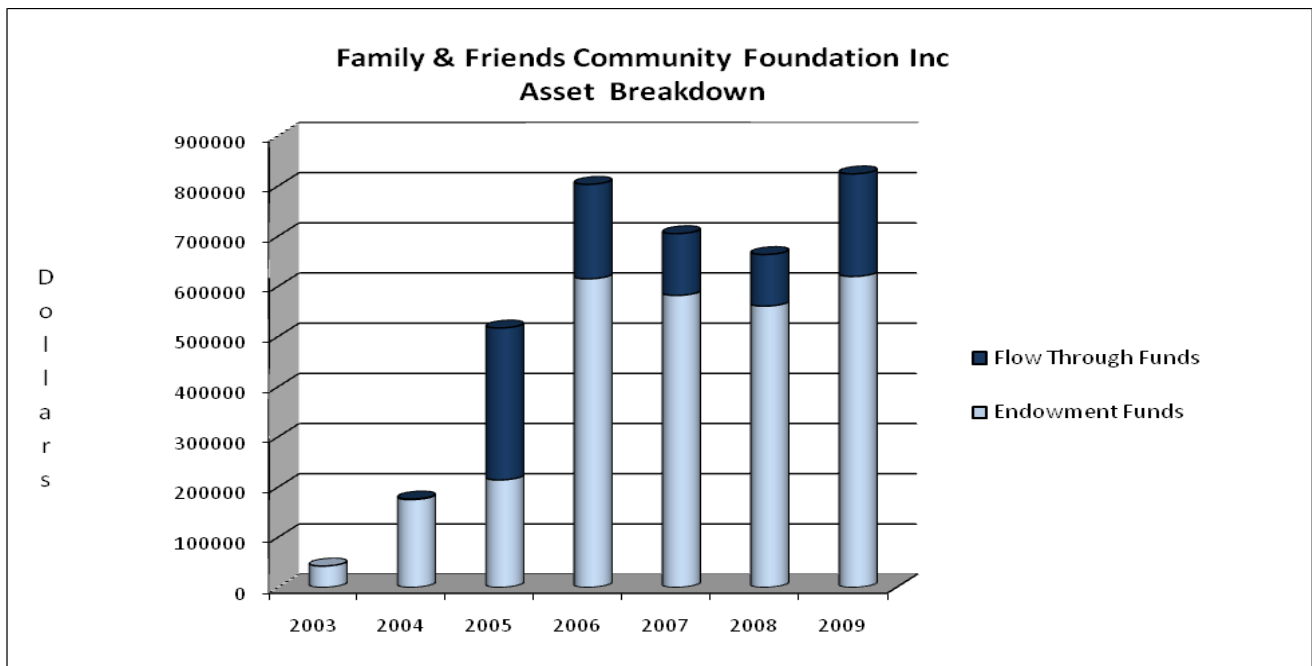

community leadership and the third being granting funds back to our communities. This year the Board is pleased to announce that we have given over \$500,000 back to our communities since we began.

Through the generosity of many individuals our endowment funds continue to grow. We wish to thank our generous donors for their thoughtful consideration of the Foundation when making their donation choices. Flow-through funds have been used in many projects, especially at the local care home. It is amazing to see how many projects are complete or close to completion, making things better for residents and staff. Again a number of events, Asset Builder Workshop and Pink & Chocolate Event, were successfully run under the leadership of the

Foundation's various committees. Thanks to improved markets we have returned to pre-2008 balances and are again able to provide grants to various organizations within our communities.

The Board of Directors has been excellent to work with and I would like to thank them for their commitment. Our administrators Carla Kaeding and Cheryl Kotzer continue to do an excellent job for Foundation and I thank them.

In conclusion I have enjoyed this year as Chairman and would like to thank everyone for helping and supporting the Foundation in any way. Our goal is to improve our communities' future through the work of the Foundation.

Golf for Health Tourney

“Partners in Health” Fund was started with the intention that for every \$1 raised the Foundation would add \$.50. This initiative has proven to be very successful leading to a number of acute care bed purchases, health equipment and a palliative room for grieving families being built.

This Fund has grown thanks to LeRoy Walz’s idea to host an annual golf tournament. In the last two years they have raised over \$65,000.

The Foundation would like to recognize the following memorial donations received in 2009:

- Wilford Kirk
- Wayne Mund
- Eleanor Yeske
